### No medical testing required!

Life and Disability policies can take a long time to get issued in part because of the medical testing typically required. Not anymore! You can qualify for up to \$250,000 in life coverage and strong disability coverage without the inconvenience of blood and urine testing. Policies are usually issued in **5 days!**

## Free Health Savings Accounts

Health Savings Accounts (HSA's) are part of a medical plan that features lower premiums and the ability to save pre-tax dollars in a special account. Some banks or insurance

companies will charge you a fee on the account, reducing your savings. ESAO members that have a medical plan featuring Health Savings Accounts are eligible for no fee HSA's with a major Ohio bank.

To learn more about HSA medical plans or the no fee savings account, contact Jim Scarborough at 1-800-422-7844 or [Jim@BenefitResourcesInc.net](mailto:Jim@BenefitResourcesInc.net) .
